CLERK'S TAXATION OF COSTS

A Bench Trial was held in the above case on April 24, 2006, before the Honorable Gregory M. Sleet. The Court issued a Memorandum Order [DI 50] and Judgment [DI 51] in favor of Plaintiff, Institute for Disabilities Research and Training, Inc., and against Defendant, Wal-Mart Stores, Inc., on September 25, 2007. Plaintiff simultaneously filed a Bill of Costs [DI 52] and a Motion to Alter Judgment [DI 55] on October 27, 2007. On the same date, Defendant Wal-Mart filed a Notice of Appeal [DI 53] with the Court. Defendant subsequently filed Objections to the Bill of Costs [DI 59] on November 8, 2007, arguing that Plaintiff's Bill of Cost was premature. The Court entered an Amended Judgment in favor of Plaintiff, Institute Disabilities Research and Training, Inc., and against Defendant, Wal-Mart Stores, Inc., on June 6, 2008. The Court's docket reflects that Defendant's appeal [DI 53] is still pending before the Third Circuit Court of Appeals. The docket does not reflect the issuance of any appellate court mandate.

The Clerk of Court may tax costs in accordance with District Court Local Rule 54.1 (amended June 30, 2007). Local Rule 54.1(a) states in part; "Unless otherwise ordered by the Court, the prevailing party shall be entitled to costs. The party shall, within 10 days after the

time for appeal has expired or within 10 days after the issuance of the mandate of the appellate court, file a bill of costs. " (emphasis added).

The Court's docket reflects that Defendant's appeal [DI 53] is currently pending before the Third Circuit Court of Appeals. The docket does not reflect the issuance of any appellate court mandate.

Therefore, the Clerk finds that Plaintiff's bill of costs was prematurely filed pursuant to L.R 54.1(a), and it is subsequently **DENIED**.
